Total	3	0

 Motion approved

6. GitHub organization account. Motion: provide Agustín Benito Bethencourt rights to manage it.

Background

STF President have set up the new STF GitHub organization

Proposal

The proposal is that  Agustín Benito Bethencourt

- Manages it on behalf of STF under the Governance rules we have defined.

- Reports to this Gov. Board about this management until the Programs and Projects Steering Committee is formed.
-  Andrés Saulino will be his deputy

Voting

 Approved unanimously
